

Maths Week 2017 is coming this year!
 It starts on Monday August 14th and finishes Friday August 18th.

For Year 1 through to Year 11 students.
 230,858 students from 1978 schools and 3766 teachers were registered last year!
 Maths Week uses topics of interest and relevant to your student's lives.

This year the Challenge topics include.

- **Maths Millionaire. Completely interactive games at Four Levels.**
 Junior-Junior for Year 1 to Year 4 pupils.
 Junior for Year 5 to Year 8 students.
 Senior for Year 8 to Year 11 students.
 Family for all family members to enjoy at home.
- **Survivor Series class teaching tasks.**
 The mathematics history of the Calendar.
 Birthday investigation.
 Tying a neck-tie including the Full Windsor!
 Tower of Brahma.
 Knots and much more!
- **Trips.**
 To Egypt on a Maths trip. A young person's O.E. dream!
 To unusual places in New Zealand.
 To the latest movies that feature mathematicians.
 To the Auckland Islands!
- **Daily Dollar questions.**
- **Maths problem from Coronation Street.**
- **The Sound of Music. Maths from the famous movie!**
- **The Maths Chaser. Very popular game at three Levels.**
- **Travelling on the Taieri Gorge railway train.**
- **Pascal – famous mathematician.**
- **Maths Week Super Challenge!**
 This is new this year and is a real challenge for the best of the best!

The popular Games Section has been updated and improved this year!
 They are interactive and contain much useful mathematics for students.

Register now go to

<https://www.mathsweek.org.nz/>

All teachers who register will get a copy of the answers and helpful notes for themselves before Maths Week.

Teachers need to register themselves and their students early!
 Maths Week is free for all New Zealand schools.

It is part sponsored by
 The New Zealand Ministry of Education
 and the New Zealand Association of Mathematics Teachers.
